

**TaiRox Software Inc** is managed by Don Thomson, a co-founder of the company that developed the original version of Sage 300. TaiRox add-on products for Sage 300 are sold by 100 partners on 6 continents. TaiRox best sellers are briefly described here. Custom software projects range in scope from a few days to a few months and are always done to the highest professional standards.

**TaiRox Productivity Tools**, available for \$1,395 + \$280/year, adds hundreds of features to Sage 300, including many multi-company and order processing options. Vendor Inquiry alone adds 20 dynamic tabs for managing purchases. Tools for a single module are available for as little as \$695 + \$140/year.

**Copy Company**, available for \$595 + \$120/year, copies an existing company's structure to a new company without copying transactions.

**SOX User Management**, available for \$795 + \$160/year, copies Sage 300 user setup from company to company or user to user, produces a SOX audit report.

**Download Rates**, available for \$595 + \$120/year, automatically downloads exchange rates daily from providers' feeds to multiple Sage 300 companies.

Settings	Rates	Oanda	Currency Code Mapping	Email Notification	Monitor	Log	
	Functional Currency	Source Currency	Rate Type	Rate to Use	Rate Adjustment %	Spread	Enable
	CAD	USD	SP	Bid	1.1	0.0000001	<input checked="" type="checkbox"/>
	USD	CAD	SP	Bid	-1.1	0.0000002	<input checked="" type="checkbox"/>

**SOX Backup Express**, available for \$595 + \$120/year, automatically creates, manages and copies offsite multiple daily archives of Sage 300 data.

**SOX Backup Enterprise**, available for \$795 + \$160/year/location, extends SOX Backup Express and automates the transfer of databases between locations.
